## **Meal Plans**

- **Full Service:** \$70/pp/day for 3 meals/day; Earthdance staff cooks, completes meal cleans.
- **Fully Catered Wedding Meal:** Additional price TBD depending on food requests and service.
- **Self Service:** Bring your own chef/caterer/food truck price TBD based on needs.
- **Meat:** May be added to your meal plan for an additional \$5.00 per person, per meal.

The menu options that we provide are 90% organic food, some grown on-site, in season, and all our meats are local, grass fed and organic. Please keep in mind that planning for meat options in your meals requires time to arrange the purchase from the local farmers we work with. Therefore, our chef will need to know the total number of meals with meat, and the total number of guests eating the meals at least 2 weeks prior to your arrival date.

## **Contract Process**

Once you have come to a decision about your wedding dates and needs, we will draft a contract and send it to you. In order to determine staffing needs, we will provide you with an estimate of personnel and scheduling prior to agreeing to the staff pricing. The price estimates for staffing are very accurate as we routinely run and host events and have a very good understanding of how long various activities take, depending upon the number of people we serve. Your final invoice will include the actual number of hours worked by hired staff as well as any charges that are incurred by guests and not paid prior to your departure, ie. towel and sheet rental, sauna rental, hot tub rental, store products, etc. This invoice will be sent to you within two weeks after your event.

## **Booking Your Wedding**

Booking confirmations require a \$3,000 deposit for weekend rentals and a \$500/day deposit for weekday rentals, along with a signed rental agreement. Deposits are nonrefundable and will be credited to the final invoice for your reservation. All final payments are due to Earthdance two weeks before your initial booking date. Earthdance reserves the right to cancel an event if the remaining balance has not been collected prior to the rental.

## **Earthdance Site Coordinator**

Whether you are familiar with Earthdance or are new to our center, you will appreciate the support of a site coordinator. This service provides you and your fiancé with a tour of the facilities, support in determining the schedule and logistics of your weekend, and on-site

guidance/coordination on the day of your event. The site coordinator will be on-call during your wedding weekend, providing orientations and support for you and your guests. Your personal wedding coordinator will be the interface between the site coordinator and your additional hired service providers, as well as guests and the wedding couple. Additional staff may include: Earthdance staff, kitchen crews/caterers, or other services or rental of equipment

*We look forward to working with you for this special day!*
